WORLD'S LARGEST URBAN ADVENTURE TO MAKE USA DEBUT IN CHICAGO

Have you ever watched one of those reality TV shows and thought you could one-up the contestants? Chicago Sport and Social Club is giving adrenaline enthusiasts this very chance with City Chase - The World's Largest Urban Adventure. On August 25, City Chase will make its USA debut in Chicago. Teams of two will compete in a series of physical, mental and adventurous challenges, for a chance to represent the USA in The 2007 City Chase World Championships in Rome, Italy.

City Chase launched in Canada in 2004. Its immense popularity caused it to outgrow the provinces' borders, expanding into other countries such as Australia and the UK. Jason Erkes, Chicago Sport and Social Club President, decided to partner with the organization and launch the US version of the event in Chicago because of the active-minded nature of the citizens.

On the day of the event, teams are dispersed in different directions with a CTA pass and a Clue Sheet detailing the challenges they will face. Participants then spend the next four to six hours running, walking or using public transit to navigate their way through a series of ChasePoints scattered in
